Letter from E.M.Gawne Esq., I.C.S., Collector of South Kanara No. Ref. A-6-9947-32 dated 12th December 1932.-

See sketch at p 7 of this file (U)

The Vicar of Aikala Church applies for on darkhast S.No. 173/1A1 of Aikala village (Mangalore Taluk) measuring 5.09 acres. It is a Government waste land forming kumaki to the kadim Inam holdings S.Nos 3/1 to 4 and 59/3,4,5 of the Church. It has been added on to the adjoining land belonging to the Church by putting up granite stone walls and fences; the enclosure is said to be more than 30 years old Enquiry shows that the plot has been in the exclusive possession and enjoyment of the Church for more than 30 years

and the trees standing on it have been conserved by the Church authorities. It lies more than one chain from the centre of the L.F.Road passing through S.No.173/1A2. Its assignment is unopposed. The Church owns 11.92 acres of wet and garden lands and 55.51 acres of dry land in the village. The Tahsildar and the Revenue Divisional Officer, Mangalore, recommend the grant. (I am enquiring how such an enclosure has escaped the notice of the revenue staff for so long.

2. The Vicar of the Church applies on darkhast for S.No. 173/1A2 also i.e. the portion of S.No.173/1A lying outside the enclosure. As it is required for road purposes its assignment is not recommended.

3. The Church is a member of the Parish Union of the Diocese of Mangalore. The Secretary of the Union is willing to have the plot on darkhast. I therefore request that the Board may be pleased to move the Government to sanction the assignment of the plot to the Parish Union. The question of levy of back assessment will be considered at the time of assignment.

4. The Parish Union does not own any land in the village. The total extent of lands owned by the Union in the district is 119.02 acres and their market value is estimated at Rs.7046/-.

5. The records of D.R.497/41 are enclosed. (V)
